■ I meet the qualifications stated in Section 7 on the following page for a Temporary Total Disability Deferment and request that my loan holder defer repayment on my loans while I am **TEMPORARILY TOTALLY DISABLED** or while I am unable to secure employment because I am caring for a spouse or dependent who is **TEMPORARILY TOTALLY DISABLED**. Check the appropriate box:

I am disabled.

I am taking care of my spouse or dependent who is disabled. (For spouse or dependent disability, provide the information requested below.)

SECTION 3: BORROWER UNDERSTANDINGS, CERTIFICATIONS, AND AUTHORIZATIONS

■ I understand that: (1) I am not required to make payments of loan principal during my deferment. Interest will not be charged on my subsidized loan(s) during my deferment. However, interest will be charged on my unsubsidized loan(s). (2) I have the option of paying the interest that accrues on my unsubsidized loan(s) during my deferment. (3) I may choose to make interest payments by checking the box below. My loan holder may capitalize interest that I do not pay during the deferment period.

I wish to make interest payments on my unsubsidized loan(s) during my deferment.

(4) My deferment will begin on the date the condition that qualifies me for the deferment began. (5) My deferment will end on the earlier of the date that the condition that qualifies me for the deferment ends or the date it is expected to end, as certified by the physician who completes Section 4. However, my deferment will last no longer than 6 months after the date of my physician's certification. (6) If my deferment does not cover all my past due payments, my loan holder may grant me a forbearance for all payments due before the begin date of my deferment or—if the period for which I am eligible for a deferment has ended—a forbearance for all payments due at the time my deferment request is processed. (7) My loan holder may grant me a forbearance on my loans for up to 60 days, if necessary, for the collection and processing of documentation related to my deferment request. Interest that accrues during the forbearance will not be capitalized. (8) If I am a veteran, the certification by a physician on this form is only for the purposes of establishing my eligibility to receive a deferment of a FFEL Program loan and is not for purposes of determining my eligibility for or the extent of my eligibility for Department of Veterans Affairs benefits.

■ I certify that: (1) The information I provided in Sections 1 and 2 above is true and correct. (2) I will provide additional documentation to my loan holder, as required, to support my deferment status. (3) I will notify my loan holder immediately when the condition(s) that qualified me for the deferment ends. (4) I have read, understand, and meet the eligibility criteria of the deferment for which I have applied, as explained in Section 7.

■ I authorize any physician, hospital, or other institution having records about the disability for which I am requesting a deferment of loan payments to make information from these records available to the holder of my loans.

■ I authorize the school, the lender, the guarantor, the Department, and their respective agents and contractors to contact me regarding my loan(s), including repayment of my loan(s), at the current or any future number that I provide for my cellular telephone or other wireless device using automated telephone dialing equipment or artificial or prerecorded voice or text message.

SECTION 6: DEFINITIONS

Capitalization is the addition of unpaid interest to the principal balance of my loan. The principal balance of a loan increases when payments are postponed during periods of deferment or forbearance and unpaid interest is capitalized. As a result, more interest may accrue over the life of the loan, the monthly payment amount may be higher, or more payments may be required. The chart below provides estimates, for a \$15,000 unsubsidized loan balance at a 9% interest rate, of the monthly payments due following a 12-month deferment. It compares the effects of paying the interest as it accrues, capitalizing the interest at the end of the deferment, and capitalizing interest quarterly and at the end of the deferment. My actual loan interest cost will depend on my interest rate, length of the deferment, and frequency of capitalization. Paying interest during the period of deferment lowers the monthly payment by about \$18 and saves about \$772 over the lifetime of the loan, as depicted in the chart below.

Treatment of Interest Accrued During Deferment	Loan Amount	Capitalized Interest for 12 Months	Principal to Be Repaid	Monthly Payment	Number of Payments	Total Amount Repaid	Total Interest Paid
Interest is paid	\$15,000.00	\$0.00	\$15,000.00	\$190.01	120	\$24,151.64*	\$9,151.64
Interest is capitalized at the end of deferment	\$15,000.00	\$1,350.00	\$16,350.00	\$207.11	120	\$24,853.79	\$9,853.79
Interest is capitalized quarterly during deferment and at the end of deferment	\$15,000.00	\$1,396.25	\$16,396.25	\$207.70	120	\$24,924.09	\$9,924.09

*Total amount repaid includes \$1,350 of interest paid during the 12-month period of deferment.

- A deferment is a period during which I am entitled to postpone repayment of the principal balance of my loan(s). The federal government pays the interest that accrues during an eligible deferment for all subsidized Federal Stafford Loans and for Federal Consolidation Loans for which the Consolidation Loan application was received by my loan holder (1) on or after January 1, 1993, but before August 10, 1993, (2) on or after August 10, 1993, if it includes only Federal Stafford Loans that were eligible for federal interest subsidy, or (3) on or after November 13, 1997, for that portion of the Consolidation Loan that paid a subsidized FFEL Program loan or a subsidized Federal Direct Loan. I am responsible for the interest that accrues during this period on all other FFEL Program loans.
- The Federal Family Education Loan (FFEL) Program includes Federal Stafford Loans (both subsidized and unsubsidized), Federal Supplemental Loans for Students (SLS), Federal PLUS Loans, and Federal Consolidation Loans.
- Forbearance means permitting the temporary cessation of payments, allowing an extension of time for making payments, or temporarily accepting smaller payments than previously scheduled. I am responsible for paying the interest that accrues on my loan(s) during a forbearance. If I do not pay the interest that accrues, the interest may be capitalized.
- The holder of my FFEL Program loan(s) may be a lender, guaranty agency, secondary market, or the U.S. Department of Education.
- The physician who completes Section 4 of this form must be a doctor of medicine or osteopathy legally authorized to practice.
- Temporary Total Disability: The disabled borrower must, because of injury or illness, be unable to work and earn money or go to school for at least 60 days in order to recover. If the disabled person is the borrower's spouse or dependent, the disabled person must require at least 90 days of continuous nursing or similar care from the borrower. An uncomplicated pregnancy is not a qualifying condition for a pregnant borrower, or for a borrower caring for a spouse or dependent with an uncomplicated pregnancy.

SECTION 7: ELIGIBILITY CRITERIA FOR TEMPORARY TOTAL DISABILITY DEFERMENT REQUEST

- To qualify for a Temporary Total Disability Deferment, I must have an outstanding balance on a FFEL Program loan which was made before July 1, 1993, or I must have had an outstanding balance on a FFEL Program loan made before July 1, 1993, when I obtained a loan disbursed on or after July 1, 1993.
- I may defer repayment of my loan(s) while I am, or my spouse or dependent is, TEMPORARILY TOTALLY DISABLED. (Maximum eligibility is 3 years. Eligibility must be recertified every 6 months.)
 - To qualify:
 - I must be unable to work and earn money or go to school for at least 60 days in order to recover from an injury or illness.
 - I must not be requesting this deferment based on a condition that existed before I applied for my loan(s) (underlying loan(s) in the case of a Consolidation Loan), unless my condition has since substantially deteriorated, and I am now temporarily totally disabled.
 - I must not be requesting this deferment based on an uncomplicated pregnancy (either my pregnancy, or my spouse's or dependent's uncomplicated pregnancy).
 - If I am requesting this deferment based on the disability of my spouse or dependent, my spouse or dependent must have an injury or illness that requires at least 90 days of continuous nursing or similar care from me, which prevents me from securing full-time employment of at least 30 hours per week in a position expected to last at least 3 months.
 - I understand that my physician (or my spouse's or dependent's physician) must recertify this condition every 6 months to continue this deferment.
